

TalkingMats

Improving communication, Improving Lives

It has helped me to think about communication in new ways and I feel confident at using Talking Mats now.

Online Foundation Training

Courses starting on 19th May, 16th Jun, 30th Jun, 11th Aug, 22nd Sept and 3rd Nov 2020

Do you need a communication framework that helps children and adults

1. understand and express their views;
2. reflect and support their thinking particularly when decisions are to be made;
3. evidence that they are involved in planning and that intervention is person-centred?

Do you need a course that

1. involves no travel;
2. can be completed in your own time in 6 weeks;
3. supports your learning with access to personalised individual feedback?

Choose the Training Package for You

To get the most benefit from Talking Mats it is best to combine our resources with a training course. You have the option to purchase a bundle along with your training to help you put your training into practice straight away. These are available in either card or digital format. Otherwise you can choose our training only option and have the opportunity to build up your symbol library at a later date.
