

Opening up end of life conversations using the Thinking Ahead resource

17th October 2018

9.30-12.30pm

This advanced course is relevant to you if you:

- have attended a Talking Mats foundation training and are experienced in using Talking Mats with adults
- want to extend your use of Talking Mats and consider its role and application to advance care planning
- want to discuss sensitive topics around end of life care

Venue: Beta Centre, Stirling
University Innovation Park Stirling,
FK9 4NF

Cost: £80.00 (excl vat) - includes the ACP resource.

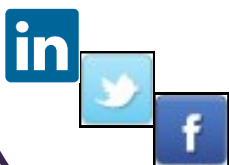

If you just want to attend the course the cost is £50.00 (excl vat)

The resource explores 3 topics

The ACP resource can be used to support people to express their views and help them plan for end of life. It will also be helpful for many other people to consider future options in their lives.

The course gives you a chance to see the resource in action, plan implementation and discuss challenges that may arise
